Canned Food Industries Group

Created in July 1965, GICA is a public institution gathering the Tunisian professionals involved in the fruit, vegetable and fish processing sectors under the authority of the Ministry of Industry, Energy and Mines.

GICA contributes to the export promotion of the Tunisian canned food products and particularly manages the "Tunisia Food Quality Label " for the Tunisian Harissa, as an essential guarantee of quality, authenticity and transparency, aiming an international recognition of the Tunisian Harissa.

GICA is managed by a Board of directors representing the administration, the National Organizations of Growers, Processors and Exporters.
